We've received your application for the city of Norman Spay and Neuter Initiative for Pets, but it appears you live outside of the Norman City limits. Unfortunately our program is only available in Norman (it is funded by the city taxpayers). I would recommend you look into these other options:

- Oklahoma Veterinary Medical Association Low Income Spay and Neuter Program
<https://okvma.org/low-income-sterilization-program/>
- Get Fixed OK
<https://www.getfixedok.com/>

We've included a list of low cost options from St. Francis Animal Resource Center (www.stfrancisarc.org). They also have a map and lists of other free and low cost options on their statewide resources webpage.

I hope this helps.

Thanks,
